PREPARATORY SCHOOL

Each student, future prepared.

New York City's Only Boarding School

Léman has the unique distinction of being NYC's only boarding school. Located in Manhattan's fastest-growing residential neighborhood, Léman is surrounded by lush parks and historic landmarks.

We are thinkers and inquirers.
We are creators and communicators.
We are caring and compassionate.
We are open-minded and culturally aware.
We are principled and balanced.
We are knowledgeable and reflective.
We are resilient risk-takers.
We are collaborators and global citizens.

We are Léman.

UNMATCHED ACADEMIC EXCELLENCE

As an International Baccalaureate (IB) World School, Léman delivers a rigorous academic program that develops critical thinking and collaboration skills to equip students for success at top-tier universities and continued lifelong learning.

GLOBAL PERSPECTIVE

With a vibrant, international community and globally minded curriculum, we empower students to take initiative, display a commitment to service, and make a positive difference in the world around them.

PERSONALIZED LEARNING FOR EACH STUDENT

Our distinctive Personal Learning Plans propel individual student growth through goal-setting and honoring each student's personal passions and interests.

PARTNERSHIPS THAT DRIVE RESULTS

Léman opens doors for students to secure research, internship, and study opportunities at the world's most esteemed business and cultural institutions, which extends learning beyond the classroom and prepares them for admission to top universities and in-demand career fields.

WELCOME FROM THE **HEAD OF SCHOOL**

Dear Families,

Welcome to Léman Manhattan Preparatory School, a global learning community building the next generation of critical thinkers, stewards of the planet, and international peacemakers.

Selecting a school for your child is one of the most important decisions you will make as a parent. I invite you to explore Léman, located in the heart of New York City's most historic district, where we deliver academic rigor in a nurturing environment, and celebrate the interests and accomplishments of every student.

As an International Baccalaureate (IB) World School, our academic program fosters the critical thinking skills that prepare students for success at top-tier universities and beyond. IB students are 20% more likely to be accepted to the most selective colleges and universities in the U.S., and 80% percent of Léman graduates attend a top 50 ranked U.S. university.

Léman offers talented students from across the globe an unparalleled opportunity to study and live in New York City in our dynamic residential high school program, the only one of its kind in Manhattan. Our program provides students with opportunities to innovate and collaborate, helping them to become informed and engaged citizens of the world. We graduate students who are inquiring, open-minded, and resilient risk-takers, with the competencies that enable them to meet their future academic and career pursuits with success. In our truly international school, with a globally minded curriculum and students representing 70 different nationalities, we encourage students to share their viewpoints and develop their own values, while respecting those of others.

There's never been a more exciting time to be part of Léman. We couple the history of our namesake sister school Collège du Léman in Switzerland, one of the world's premier international boarding schools, with the innovation and energy of a New York City institution unencumbered by the dictates of convention.

Léman graduates are well prepared for our increasingly globally-connected future. I invite you to explore the Léman experience for your child.

Sincerely,

Maria Castelluccio
Head of School

THE INTERNATIONAL BACCALAUREATE DIPLOMA PROGRAMME

The International Baccalaureate (IB) Program is an internationally recognized college preparatory course of study.

IB Diploma students at Léman take rigorous courses across all six core disciplines. Léman offers one of the widest ranges of course offerings among IB schools in New York City, which foster critical thinking skills and prepare students for admission to top universities. With new IB course offerings added each year, Léman provides students with learning opportunities across in-demand fields including computer science, mathematics, art and film.

LÉMAN FILM FESTIVAL

Inspiring Each Child to Find an Artistic Voice

Through the study of Fine Arts in an internationally minded school with access to the rich culture of New York City, Léman students have a deeper understanding of the human experience and the greater world. Performances take place in the historic Léman Ballroom, and our Upper School campus features a 400-seat theater as well as art studios and a band room that overlook the harbor and the Statue of Liberty to inspire our students.

Our talented student artists have been accepted to the world's most prestigious art schools: Berklee College of Music, Central Saint Martins - University of the Arts London, Fashion Institute of Technology, The Juilliard School, The New School, Parsons School of Design, Pratt Institute, Rhode Island School of Design (RISD), and Yale School of Music.

Building Confidence and Community Through Athletics

Léman students have ample opportunities to participate in sports across 45 competitive athletic teams ranging from basketball and volleyball to squash and swimming. With access to two indoor pools, a rock-climbing wall, a full gymnasium, and the city's many fields and parks, Léman students are challenged to achieve their personal best. Through organized and individual activities, students learn to set goals, develop the discipline required to meet them, and celebrate their achievements.

The Léman Bulls, our athletic team, are the proud winners of the ACIS Playoff Championships and League Champions in both Boys and Girls Varsity Basketball. Boys Varsity Baseball recently made the ACIS league playoff championship.
